| Folds | **1 fold line, shown in green; the flat sheet is shown** |
| Pages | **2 (front, back)** |
| Resolution | **300 dpi at full size** |
| Colour | **CMYK** |
| File | **PDF (PDF/X-1a is ideal), fonts embedded or outlined** |

### Before you send your file

- Before submitting creased leaflet artwork, we recommend you print a mock up to check the artwork is positioned correctly.
- When creating any leaflet, please supply your artwork as a 2 page, double sided PDF. For example, on an A4 creased to A5, page 1 should display pages 4 & 1 of the leaflet and page 2 should display pages 2 & 3, as shown in this illustration .
- Include 3mm bleed on all sides
- Supply as a CMYK PDF
- 3mm minimum safe zone/margin on all edges (5mm for an artwork border with an even finish)

**No design software? We can do it for you.**

Order with "Design it for me" and our designers set up your artwork and send a proof.
